BACKGROUND

A. The Open University Students Association (The Association) is a students' union within the meaning of the Education Act 1994. The Association is devoted to the educational interests and welfare of its Student Members.

B. The Association will seek at all times to:

   (ii) pursue its aims and objectives independent of any political party or religious group; and

   (iii) pursue equal opportunities by taking positive action within the law to facilitate participation of groups discriminated against by society.

C. These Articles have been structured to give the Board of Trustees reasonable authority to manage the affairs of the The Association in a professional manner. The Student Members enjoy the right, which must be exercised in accordance with charity law, to elect a proportion of the Trustees and to dismiss all of the Trustees. The Board of Trustees will give the utmost consideration to the views of Student Members.

D. Under the Education Act 1994, The Open University has a statutory duty to ensure that The Association operates in a fair and democratic manner and is held to proper account for its finances. The Association therefore works alongside The Open University in ensuring that the affairs of The Association are properly conducted and that the educational and welfare needs of The Association’s Student Members are met.
