DONATE & DONUTS

AN OU STUDENT-LED HOMELESSNESS PROJECT

3-8pm
28 Jan 2019

CHRIST THE CORNERSTONE CHURCH, MILTON KEYNES
HOW TO GET INVOLVED

People who are homeless often experience feelings of isolation. Homelessness can also increase your chances of taking drugs or experiencing physical or mental health problems.

Evidence suggests that the longer someone is in this position the more difficult it can become to get back on your feet.

Come and join us at Christ the Cornerstone, Milton Keynes, to enjoy a drink and a donut whilst finding out more about the charities in Milton Keynes who are working to end homelessness.

Bring your donations on the day or send them to the Students Association offices throughout January 2019.
