The BIG October Meet-up Video

**Steph:** Welcome to the OU Students Association and we’re here to tell you about the BIG October Meet-up.

**Barbara:** When is the BIG October Meet-up?

**Steph:** Well it’s on the 28th October and it’s anytime during that day.

**Barbara:** And where’s it going to be?

**Steph:** It’s going to be wherever students are and where they are gathering.

**Cinomen:** And if there’s not one near you, let us know and we can help you host one!

**Cath:** And they’re all going to be on the same day and you can all connect up on the event page on Facebook. You can hear about what everyone at the other meet-ups is up to.

**Nicci:** You’re obviously wearing very special clothes today.

**Anca [in Halloween fancy dress]:** I am.

**Nicci:** Do you expect people to do the same when they come to their meet-up?

**Anca:** If they want to they can!

**Steph:** So there’s going to be competitions on the day. There’s going to be the best photo competition in the theme of Halloween, so please give it a go and send in your photo entries to the Facebook event page. There’s also going to be a quiz with prizes, so get involved and find out more about the competition on the OU Students Association Facebook page.

**Anca:** It’s all a way of meeting other students and sharing the highs and lows of being an OU student. So why not celebrate it on Halloween as well?

**Steph:** Don’t forget to use the hashtag which is (or witches): #meetOUstudents

**Steph:** Happy Halloween!

**Cath:** We’ll put a spell on you!
Bloopers:

Camera person: Ok and Peter if you bring you scythe in ever so slightly please.

Nicci: I didn’t move my teeth! [laughter] I’m just stood here with them.
