2. REPORT FROM THE CHIEF EXECUTIVE/SECRETARY

2.1 The Chief Executive presented his report.

2.2 The Board discussed item 2.4, challenges around the members of the Central Executive Committee (CEC) who have not completed mandatory training. The Board agreed the requirement for the completion of mandatory training and discussed courses of action to address the non-completed training. The Board agreed: to set a deadline of 31/10/19 for completion of all mandatory training; to offer assistance with training completion to CEC members during the October CEC weekend; and to use the disciplinary process to address any continuing non-completion thereafter.

2.3 ACTION: Head of Volunteering to draft communication to CEC members.

2.4 In relation to item 2.7, the Vice-President Administration requested clarification on whether the Open University are continuing to take pension contributions from salary whilst there is still a dispute underway with the potential for industrial action. The Chief Executive confirmed that contributions are still being taken.

2.5 A Student Trustee requested clarification on the information provided in item 2.6. The Chief Executive provided clarification on the advice we have received from Stone King with regard to the regulations which is that due to the remit of the Association we would likely be exempt. The Chief Executive advised that the Open University would be undertaking the changes on their websites and confirmed that the Association would be carrying out an assessment to understand the requirements and likely impact of the regulations on our own website. A Student Trustee flagged that the assessment would need to look across all Association websites, e.g. to include the DSG website and the webstore.

3.1 The Head of Volunteering presented a summary of the paper.

3.2 RESOLUTION: The Board considered the questions presented in the paper and approved the following:

3.2.2 The Board approved for DBS checks to be carried out for the CEC roles listed in item 2.6 b) in the paper (basic or standard). The Board approved to add Vice-President Administration to the list of roles requiring a DBS check.
3.2.3 The Board agreed that all CEC roles will include a requirement to sign the declaration.

3.2.4 The Board approved for DBS checks to be carried out for staff members in the roles listed in item 2.6 c) in the paper (basic or standard).

3.3 **RESOLUTION & ACTION:** The Board approved the creation of the panel proposed in item 3 in the paper and approved the panel membership structure. Terms of Reference for the panel will need to be developed. Trustees were asked to submit expressions of interest in joining the panel to the Head of Volunteering.

3.4 The Board discussed the pros and cons of retrospectively implementing the requirements approved in section 3.1 of the paper. It was agreed that further advice from Stone King in relation to the Charity Commission declaration should be sought and shared with Trustees prior to a decision being made.

3.5 **ACTION:** The Head of Volunteering and Chief Executive to obtain further legal advice and share with Trustees via the online forum.

3.6 The Board agreed that the announcement about implementation of these approved requirements needs to be very clear about the reasons for the requirements, about confidentiality and privacy rights and about which offences would make individuals ineligible.

4.1 The Board reviewed the paper and discussed next steps.

4.2 A Student Trustee asked whether there was any specific staff or union feedback or issues to be noted from the TUPE process. The Chief Executive advised that there was nothing to be noted.
