Examples of meetings attended by Sustainability Representative

The nature of our Student Leader's roles is that there are always additional Association and OU (Open University) working groups and committees that they might attend, as well as a range of one-off activities. We are therefore providing the most comprehensive list we are currently able to.

The list specifies scheduled meetings; additional work is typically required between these through online discussions and/or reading papers. In general, where there are face-to-face meetings these often take place in Milton Keynes, however, we are embracing blended working and so many meetings can be attended online.

Association meetings

- **Environment and Sustainability Working Group** – monthly. Sustainability Representative will co-chair this working group which means they will contribute to setting the agenda, chairing meetings, and completing follow-up actions.
- **Student Leadership Team meetings** – quarterly. Formal SLT meetings to agree action taken by the Association on Student-facing issues and to discuss proposals to the Board of Trustees when required. All formal business is covered in these meetings and these are mandatory except for unavoidable circumstances.
- **Monthly Student Leadership Team catch up** – a less formal but regular opportunity for the SLT to get together to discuss current issues, ideas and generally support each other in role.
- **Monthly Student Voice Forum** – a monthly catch up with student representatives who sit on University Committee meetings.

OU meetings

Further information

These remits are not exhaustive and specify the core responsibilities of Elected Student Leaders. They are subject to change dependant on circumstance and ongoing developments. There may also be items that fall across remits where postholders will work collaboratively.

Remits indicate the normal assignment of responsibilities, however, where both parties are agreed, role descriptions are not intended to prevent the sharing or transfer of relevant work for good reason and in the interest of supporting one another.

All volunteers are expected to follow the Volunteer Policy and Agreement, the Values and Behaviour Policy and Code of Conduct given to them on taking up a role with the Association.

All volunteers are required to have their own IT equipment and internet connectivity sufficient to fulfil their remits. In exceptional circumstances, and for a period not exceeding six months, the Association may be able to provide the loan of a laptop.
