**International Representative**

The International Representative has the primary responsibility of supporting the development of a student community for students living outside of the UK and, where necessary, representing the views of International Students to the Student Leadership Team (SLT) and The Open University (OU).

The International Representative:

- Is the first point of contact and a public face of the Association to students studying outside of the UK and is prepared to communicate with students through a range of platforms.
- Supports students in providing local events such as online meet ups, volunteer projects and other initiatives. Takes a lead role in coordinating Freshers activities in their area.
- Is a full voting member of the Student Leadership Team.
- Is required to produce regular reports and contribute to a collective report. There will also be opportunities to feed back to students through a range of platforms.
- Closes the feedback loop on matters affecting students which are specific to those studying outside of the UK, using a range of appropriate media to ensure content is engaging and available to a wide range of students.
- Supports the delivery of training to International Community volunteers, working collaboratively with a range of staff and volunteers to ensure that appropriate support and guidance is provided.
- To promote and share diverse cultures and history with all OU students, to create an inclusive culture and understanding of the different challenges and motivations for International Students.

**Key skills and attributes**

The post-holder will need to possess, or be prepared to develop rapidly, the following:

- A broad understanding of issues affecting students who are studying outside of the UK.
- Commitment to develop further skills and knowledge appropriate to the role.
- A broad understanding of the Students Association and The Open University.

Training and support will be offered to the successful candidate.

**Role specific essential information, including time commitment**

This is a voluntary role which requires on average ten hours a week, but is busier at some times, such as during Freshers.

This role is predominantly remote, and many meetings will occur within usual business hours for GMT time-zones, though we try to be as flexible as we can to support those on different time-zones.

Any travel for face-to-face meetings will be negotiated upon election to the role.

**Association Staff Link:**

You will have a dedicated member of the Association's staff team to support you. For this role it will be the Projects Officer from the Community Team.
Meetings attended by Nation and Area Representatives

The nature of our Student Leadership Team members’ roles is that there are always additional Association and Open University working groups and committees that they will attend, as well as a range of one-off activities. We are therefore providing the most comprehensive list we are currently able to.

The list specifies scheduled meetings; additional work is typically required between these through online discussions.

In general, where there are face to face meetings these often take place in Milton Keynes, however, we are embracing blended working and so many meetings are offered as hybrid, and we would anticipate that the International Representative would attend remotely.

Association meetings

- **Student Leadership Team Meetings** – Formal SLT meetings to agree action taken by the Association on Student-facing issues and to discuss proposals to the Board of Trustees when required. All formal business is covered in these meetings, and these are mandatory except for unavoidable circumstances.
  - 6-8 Oct (Online)
  - 2-4 Feb (Hybrid – Milton Keynes)
  - 26-28 April (Online)
  - 12-14 July (Hybrid – Milton Keynes)

- **Monthly Student Leadership Team catch up** – a less formal but regular opportunity for the SLT to get together to discuss current issues, ideas and generally support each other in role.

Additional meetings are arranged as and when needed to provide training, host community sessions and to get involved in delivering Freshers and other engaging student-led activities. Other Nation and Area Reps have found it beneficial to meet together on a semi-regular basis, along with VP Community to share best practice and ideas.

Further information
These remits are not exhaustive and specify the core responsibilities of Student Leaders. They are subject to change dependent on circumstance and ongoing developments. There may also be items that fall across remits where postholders will work collaboratively.

Remits indicate the normal assignment of responsibilities, however, where both parties are agreed, role descriptions are not intended to prevent the sharing or transfer of relevant work for good reason and in the interest of supporting one another.

All volunteers are expected to follow the Volunteer Policy and Agreement, the Values and Behaviour Policy and Code of Conduct given to them on taking up a role with the Association.

All volunteers are required to have their own IT equipment and internet connectivity sufficient to fulfil their remits. In exceptional circumstances, and for a period not exceeding six months, the Association may be able to provide the loan of a laptop.
