

S2081_2: Nominations Form

Full Name* Katherine Murphy

Preferred Name* Kaz

MANIFESTO* I endeavour to assist all Open and Access module students have their voice heard. I will represent your voice at every meeting, and ensure you are heard. After meetings (and where relevant) I shall let all of you know the outcomes and the directions we are going in as a faculty so you are best informed of what is going on around you.

My contact details will be made readily available on all platforms so you can reach out to me at any time about any concerns or feedback you may have. I will endeavour to answer all messages the same day they are received and let you know an accurate timeline of when I can get answers to your questions or the next time I will be able to discuss your concerns at a meeting.

All students will have my support and encouragement with engaging in activities and opportunities, and all feedback will be welcomed. My inbox is a safe haven for all and you can always tell me if you wish to remain anonymous or if you'd like help in engaging in activities anonymously for whatever reason you may have.

Although I will be the face of Open and Access, you will all be the most influential factors in making changes and improvements to these modules.

PLEDGES* I pledge to create a safe haven for student voice and ensure every voice has an impact. As an OU student, each and every one of you are the foundations for change and I endeavour to enable that change.
